KGSA Coaching Contract

Coaching Expectations:

A coach is defined as anyone helping on the field or in the dugout during the games.

- a. Head coaches of 8U and older teams must have current ACE Certification on file with KGSA. Assistant, dugout, t-ball coaches, and parent volunteers are encouraged to be ACE Certified, but **MUST** be background checked to participate in the dugout and field. KGSA will reimburse ASA Certification fees with receipt given to Treasurer.
- b. The mindset of a coach must be one that agrees with the philosophy of the league: KGSA is a skill development league, not focused on win/loss ratios for success. Success is defined by how player skills have progressed. Our goal with this league is to advance player skill sets so they can be prepared for more competitive futures as they mature.
- c. Coaches must be willing to increase player skills including beginner players to those with more advanced knowledge in an environment fun for all.
- d. Coaches must willingly commit time to increase their own coaching skills through the KGSA organization and ASA tools.
- e. Coaches will be a positive role model and provide a sports environment for their team. This environment will be free of drugs, tobacco, and alcohol at all practices and events.
- f. Coaches will treat all players, parents, spectators, other coaches, umpires, and board members with respect. Coaches will refrain from taunting, ridicule or arguing with any of the before-listed individuals. Coaches will not use abusive or vulgar language. Coaches are volunteers; many of the officials are just learning their skills and need as much grace as the girls, without them there would be no game.
- g. Do not “beg” for or “suggest” calls to the officials. Do not tell the official how badly they blew the last play. It doesn’t help us.
- h. Coaches will not cheat or engage in any form of unethical behavior.
- i. Be supportive. **Do not stir up controversy.**
- j. Report any issues or violations to the division player agent.

Enforcement of the Code of Conduct

KGSA is dedicated to raising the standard of service to youth in sports through the enforcement of this Code of Conduct among its coaches.

This Code of Conduct defines the expectations for adults serving as coaches in youth sports and provides the tools to be used, when necessary, to check behavior and to respond with resolve to protect all children from the psychological, emotional, physical or social abuses that can be perpetrated against them by youth sport coaches.

KGSA firmly believes that for the sports experience to be positive, safe, and a learning experience for youth, volunteer coaches must be trained and held accountable for their behavior when working with and around children. It is the duty of KGSA to respond to complaints lodged against a volunteer coach that has allegedly violated the Code of Conduct. This is accomplished by initiating the "Complaint Against a Coach Procedure." The purpose of this procedure is to hear the complaints and to determine what, if any, action should be taken towards correcting the coach's behavior. In order to provide the league the flexibility to take appropriate action when a coach is found to have violated the Coaches' Code, a range of possible actions has been developed to accompany the Code of Conduct.

A. Possible actions include:

- a. Warning to and/or apology from the coach
- b. Probation
- c. One or more game suspension or season suspension
- d. Permanent suspension from the league

When reviewing a complaint and deciding what action is the most appropriate in a given situation, KGSA board must take into consideration various extenuating circumstances.

B. Factors that might suggest a more lenient sanction include:

- a. First offense
- b. Remorse
- c. Apparent desire to reform
- d. Other good coaching attributes
- e. Dedication to youth sports

C. Factors that might suggest a harsher sanction include:

- a. Child endangerment
- b. Violation of law
- c. Prior complaints/review action
- d. Lack of remorse
- e. Number of expectations violated
- f. Breach of duties as a role model
- g. Extraordinarily poor judgment around children

D. Complaint procedures against a coach

When KGSA receives a complaint about a coach, the league will:

- a. Gather information and eyewitness accounts of the event(s) that took place from everyone involved to determine if a violation of the letter or intent of the Coaches' Code of Conduct pledge has occurred. This may include the site supervisor, game official, KGSA board members, and other coaches, parents and children.
- b. Require the coach to attend a meeting (in person or by phone) to address the complaint and to offer his/her side of the incident.
- c. KGSA board/staff has the authority to determine the severity of the situation and whether or not the affected coach has violated the expected behaviors outlined under each of the sections of the Code.
- d. KGSA board/staff has the authority to enforce the appropriate range of disciplinary actions outlined in the Code. This information will be logged in the coach's file.
- e. There is no appeals process. The decision is final.

E. Coaches ejected from a game by an administrator, official or umpire.

- a. When a coach is ejected from a game, they shall leave the facility immediately and take no further part in that game. Any coach ejected from a game is automatically suspended for their next two physically played games, but may be in attendance at the game site from which they are suspended. If any further altercations/arguments are made prior to leaving the premises, a multiple game suspension or expulsion is possible. 911 may be called if necessary. There is no appeal process following an ejection. Any coach who is ejected from two games is banned from coaching in any KGSA activity for one calendar year from the latest offense.
